SUBJECT: Proposed Amendments to the SCAG Conflict of Interest Code

EXECUTIVE DIRECTOR'S APPROVAL: 

RECOMMENDED ACTION:

Administration Committee: Recommend that the Regional Council approve the attached, proposed amendments to the SCAG Conflict of Interest Code.

Regional Council: Approve the attached, proposed amendments to the SCAG Conflict of Interest Code.

BACKGROUND:

At its November 2007 meeting, the Regional Council approved release of proposed amendments to the Southern California Association of Governments (SCAG) Conflict of Interest Code (Code) for a 45-day comment period. The comment period has now closed, and no comments were received. At this time, legal staff requests that the Regional Council provide final approval of the attached, Conflict of Interest Code amendments.

Pursuant to the state Political Reform Act, Cal. Gov. Code §81000 et seq., SCAG periodically reviews its Conflict of Interest Code and determines whether the Code must be amended. All public officials holding designated positions on the Code are required to file annual statement of economic interest forms (Form 700) to disclose certain investments, income, interests in real property and business positions.

SCAG legal counsel reviewed the agency's current Code, and determined that substantive amendments to the Code are required. These amendments (a strikeout version is attached) would primarily add new designated filers that make or participate in making governmental decisions; delete positions that no longer exist at SCAG; and add one new disclosure category.

Specifically, legal staff recommends adding voting members of the Policy Committees (TCC, EEC, and CEHD Committees) to the Code, since the Policy Committees make policy recommendations to the Regional Council on matters within each respective committee's jurisdiction, pursuant to authority provided under the SCAG Bylaws, Article V-A(7)(a); and thus make governmental decisions under applicable Fair Political Practices Commission regulations and guidance.

REPORT

Furthermore, these amendments would add to the Code all positions in the agency that have “Manager” in the title, and add the position of Business Operations Supervisor, based on current job classification information provided by the Human Resources staff. Finally, the Code amendments would add a new disclosure category narrowly tailored to apply to the newly added Business Operations Supervisor position.

FISCAL IMPACT:

Legal staff costs associated with this matter are captured in Work Element Number 08-880.SCGS1.

CONFLICT OF INTEREST CODE OF THE SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

The Political Reform Act, Cal. Govt. Code §§81000 et seq., requires state and local governments to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 C.C.R. §18730, which contains the terms of a standard conflict of interest code, and which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 C.C.R. §18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of the Southern California Association of Governments.

Upon receipt of the statements of economic interests of the General Assembly members, Regional Council members, Policy Committee members, and the Executive Director, the agency shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission.

All other designated officials shall file their statements of economic interests with the Southern California Association of Governments, which will then make the statements available for public inspection and reproduction under Cal. Gov. Code §81008, and will retain the original of these statements.
